2. Geben Sie auf dem nächsten Bildschirm Ihre Daten ein.

The image shows the 'Profile setup' page of the Stata website. It contains several input fields for user information: 'First name*', 'Last name*', 'Company/Organization*', 'Phone*', 'Email*', and 'Confirm email*'. There are also dropdown menus for 'About you*' and 'Country*'. Below these fields, there is a section for 'I would like to receive the following email alerts:' with checkboxes for 'Stata software releases', 'New webinars', 'Conferences and online trainings', 'Stata Press book releases', 'Stata Journal (Availability and table of contents)', and 'Select all'. At the bottom, there is a checkbox for 'I agree to receive communications from StataCorp. I understand StataCorp will process my personal information in accordance with their Privacy Policy.' and two buttons: 'Log in' and 'Clear form'.

3. Wählen Sie auf dem nächsten Bildschirm Ihr Betriebssystem aus.

The image shows the Stata website's operating system selection screen. It features the Stata logo at the top. Below the logo, it states: 'To complete the installation, you will need a license and activation code. This information was emailed to you when your order was processed.' It then asks the user to 'Please choose your operating system below.' and provides three radio button options: '64-bit Windows', 'Mac', and '64-bit Linux on x86-64'. At the bottom, it says: 'If you have another operating system or have any questions, please [contact us](#).'

4. Klicken Sie auf **Stata19.dmg** or **StataNow19.dmg**, um das Installationsprogramm herunterzuladen. Auf der Download-Seite wird Ihnen automatisch das Installationsprogramm angezeigt, das Ihrer Lizenz entspricht.

5. Sobald der Download des Disk-Images abgeschlossen ist, öffnen Sie Ihren Ordner „Downloads“ und doppelklicken Sie auf das Disk-Image.

6. Doppelklicken Sie auf **Install Stata** oder **Install StataNow**.
